Welcome to this beautiful 5-bedroom, 4-bathroom home with lake views and a 2-bedroom suite, situated on a cul-de-sac and backing onto treed green space. Featuring a functional floor plan, quality finishings, lots of windows for natural light, and laundry both up and down, this home is designed for modern living and convenience. The open-concept main floor is perfect for entertaining, with sliding glass doors leading out to a deck with a gas BBQ hookup. The upper level has three bedrooms, featuring lake views from the primary bedroom. The 2 bedroom suite downstairs also features quality finishings, such as quartz countertops. Other highlights include a double car garage, 9' ceilings on the main floor, wide plank flooring, ceramic tiles in the laundry and bathrooms, a deck and a rear patio, Norelco flat panel cabinets with soft-close in the kitchen, a generous island for entertaining, under-cabinet and recessed lighting, modern plumbing finishes, a gas fireplace, and a double garage. This home combines quality, convenience, and views! (id:6769)
