

3767 Springbrook Road Kelowna British Columbia

Lower Mission

\$1,325,000

Tucked on a quiet no-thru street in Kelowna's sought-after Lower Mission, this fully renovated home blends timeless design with modern function. A vaulted, light-filled foyer opens to spacious formal living and dining areas, framed by large windows and a sense of openness throughout. The layout flows naturally into the chef's kitchen and casual family room, creating an ideal space for entertaining or everyday living. A versatile den (or 5th bedroom) and a custom-designed mudroom add flexibility and function. Upstairs, find four spacious bedrooms including a serene primary suite with a walk-in closet & a spa-inspired ensuite. The finished basement--rare in this neighbourhood--adds recreation space, a hobby/work area, and storage. Finished areas have lower ceiling height; the utility/storage room is full height. Thoughtful upgrades include custom-built-ins, dual-energy heating, on-demand hot water, PEX plumbing, and more. Private fenced yard, extra-large double garage, RV parking, wide driveway. Walk to top schools, two blocks to the beach, H2O Pool/Rec Centre/sports fields, and new DeHart Park with waterpark, pickleball, walking loops & winter outdoor skating. Book your private viewing today. (id:6769)
