

Step into 2,128 sq ft of thoughtfully crafted living in this vibrant 4-level split, nestled in the heart of family-friendly Forest Green. Rich laminate flooring flows through the main floor, where a sprawling front living room invites gatherings while the cabinet-loaded kitchen with adjoining dining room sets the stage for memorable meals. Upstairs, discover 3 generously sized bedrooms serviced by a bright 4pc bath. The private sanctuary of the primary retreat is enforced with a private 2pc ensuite, and extended with direct access to the private, covered deck, overlooking the super-sunny south-facing, fenced backyard. Step down into the 3rd level where a massive recreation room awaits, warmed by a charming fireplace and offering the relief of a third bathroom, with a stand-up shower. The lower level adds 2 flex rooms, perfect for offices, fitness, or creative pursuits. An expansive driveway easily accommodates RV parking, while the oversized, heated double garage is ready for vehicles or workshop dreams. (id:6769)
