

3808 Alexis Park Drive Vernon British Columbia

Alexis Park

\$729,000

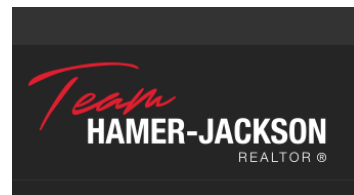

The quintessential family home in a fabulous Vernon community close to downtown amenities. With a sprawling fenced backyard and a nearby elementary school, this five-bedroom property is move-in ready with a newly painted and fully updated interior, promising a low-stress transition. Inside the bi-level home, newer flooring spans throughout, along with updated windows and blinds. Additionally, a beautifully renovated kitchen awaits with replaced appliances, bright white cabinetry, and stainless-steel appliances. From here, access the lovely covered west facing deck, ideal for an evening sunset or entertaining. On the main floor await three bedrooms, including the primary. Below the main floor, the finished lower level offers two additional bedrooms and a well-appointed full hall bathroom. From this level, walk directly out into the finished yard and future garden area. Come see everything this renovated and ready to go charmer can offer you today. (id:6769)
