Lower Mission

\$4,995,000

Spanning over 12 acres, this premier Okanagan property in the Lower Mission features a thriving driving range, a private estate home, plus a professional shop & clubhouse with a Trackman VR golf bay, all offering immense potential for further development and revenue growth. This is more than just a business; it is a legacy property where you can capitalize on a high-income asset with significant room for future development. The driving range is a long-established entertainment hub powered by world-class Toptracer technology, featuring 16 covered & lit bays plus 14 additional bays. The facility also includes an 18-hole championship mini-golf course, a professional putting green, and a ball-cleaning system that automatically returns range balls to the tee box. Currently operated as a profitable 7-month seasonal business, for the ambitious investor, there is a clear path to transform this into a year-round destination with huge potential for expansion. The property includes a home above the pro shop, with two primary bedrooms both with full ensuites & a versatile large den, that easily serves as a third bedroom. The open kitchen flows into the dining & living areas, where sliding doors lead to a massive 13' x 30' covered, south-facing deck, engineered for the hot tub. Includes two enclosed utility bays & a 30' x 40' workshop/maintenance shed. Plus, the adjoining 4.7 acre proper...
