Welcome to this stunning WESBILD home at Turtle Mountain, where unbeatable views and privacy are yours, thanks to its prime location backing onto a private environmental reserve—ensuring that no one can build below. This custom rendition of WESBILD's Cypress plan is situated on a premier low-density lot at the top of a level cul-de-sac on Terrapin Place, offering a one-of-a-kind living experience. This Energuide-rated home is fully landscaped with front and rear yards, complete with a serene water feature, and comes equipped with all kitchen and laundry appliances, plus an A/C heat pump for excellent energy efficiency. Designed with top-notch architecture, the home boasts 10-foot ceilings, large windows, striking rooflines, and modern open-plan living that maximizes natural light and space. The home is filled with luxurious details, including upgraded walk-in closet cabinetry, a gas range, soft-close cabinetry throughout, quartz countertops, hardwood floors, and Kohler fixtures. The interior, meticulously crafted by the Sticks + Stones Design Group, offers a true "Designer" touch, making this home a standout in every way. If you're seeking a home that blends elegance, comfort, and unique design, this Turtle Mountain gem is the perfect choice. (id:6769)
