

## 3823 Jasmine Drive Osoyoos British Columbia

Osoyoos

# \$769,000

This property has the makings of a fabulous home with some TLC and renovations due to its incredible location to town and beautiful lakeviews. It is a large corner lot with a one bedroom suite and separate parking and access. The Main house has 3 bedrooms and 2 bathrooms with fabulous views from the top floor. The special features of this house are the additional indoor/outdoor work spaces for those that have hobbies and need more than just a garage! This home does need some sprucing up but the views are PRICELESS! (id:6769)
