Kettle Valley

\$1,439,000

Tucked into one of Kelowna's most sought-after neighbourhoods, this home sits on a quiet cul-de-sac where daily living flows across thoughtfully updated spaces designed for families. The heart of the home opens wide across the main level. A custom kitchen anchors the space with two-tone cabinetry, quartz counters, and a built-in coffee bar that makes mornings feel a little more like a ritual and a little less like a rush. The large central island seats four comfortably and the corner sink frames views of the landscaped backyard. Stainless appliances include a Bosch fridge and dishwasher, plus a gas KitchenAid range. Natural light pours through high transom windows in the living room, where a slate rock fireplace creates an inviting anchor. The open dining area connects seamlessly to a covered patio, perfect for summer dinners that stretch late into evening. Upstairs, the primary suite offers a private retreat with a five-piece ensuite featuring a soaker tub, oversized walk-in shower, and double vanity. Two additional bedrooms each include built-in window bench seats—one with sweeping lake and mountain views. The lower level expands your living space with a media room, bonus gym area, fourth bedroom and full bath. The fully fenced backyard delivers on privacy. A paver stone patio with gas BBQ hookup, hot tub, and outdoor speakers set the scene for weekend gatherings, while...
