

3885 Spiers Road Kelowna British Columbia

South East Kelowna

\$1,498,000

Some homes are built to be lived in. Others become part of a family's story. Perched in South East Kelowna with sweeping lake and city views, this beloved property has been the backdrop for generations of cherished memories, celebrations, and everyday moments. Impeccably maintained and surrounded by beautifully landscaped grounds and neighbouring orchards, it reflects a lifetime of love, care, and pride of ownership. Custom designed by Enns & Quirring, this timeless bungalow blends warmth and character with the convenience of being just minutes from town. The main level features two spacious bedrooms, a fully renovated bathroom, and a generous living area where oversized windows frame the ever-changing views and spectacular sunsets. The kitchen overlooks the mature gardens and grounds, while the expansive deck and covered patio invite you to relax, entertain, and soak in the beauty that surrounds you. The bright lower level is filled with natural light and offers a welcoming family room along with two additional bedrooms. Enjoy this special home exactly as it is, or explore the possibilities that await on this expansive parcel in one of Kelowna's most exclusive neighbourhoods. Properties that offer this blend of views, land, privacy, and location rarely become available. As one family's cherished chapter comes to a close, a rare opportunity opportunity awaits for the n...
