(Photos and video coming Aug 11) Live on the Green. Entertain in Style. Relax in Luxury. Welcome to the pinnacle of golf course living--this redesigned 4-bedroom estate is a sophisticated blend of design, technology, and comfort, set directly on the fairway with private backyard access to the green. This rancher-style home offers main-floor living with a walk-out basement built for entertaining. The carefully curated layout includes: 3 full bathrooms & 2 half baths, stylish home office, golf cart room with direct course access, indoor hot tub room, and a craft/hobby studio. The over 400sqft primary suite has been completely reimagined into a true sanctuary, including a spa-inspired luxurious ensuite with marble and brushed gold finishes, oversized rainfall shower with body jets, freestanding tub, elegant lighting, and a serene, modern design. All accessed through your double-entry walk-through closet. Everything in this home has been custom-designed for elevated living, combining lifestyle, leisure, and modern convenience--all in an unbeatable golf course setting. Sit on your full length deck, watching the PGA across 3 fairways and enjoying the views of Layer cake mountain and the abundance of nature. (id:6769)
