Live on the Green. Entertain in Style. Relax in Luxury. Welcome to the pinnacle of golf course living--this redesigned 6+den bedroom estate is a sophisticated blend of design, technology, and comfort, set directly on the fairway with golf cart room giving direct access to the fairway. This rancher-style home offers main-floor living built for entertaining with a full walk-out basement. The carefully curated layout includes: 3 full bathrooms & 2 half baths, stylish home office, golf cart room, indoor hot tub room, and a craft/hobby studio. Plenty of room for multi-generational living, with public transit and school buses coming right to the gate. There are already kids here! The main floor showcases numerous custom upgrades, including a large quartz island with a built-in wine cooler, smart kitchen faucets, a wine rack, a coffee bar with water supply, and a premium 48-inch gas range complete with flat top. The 400sqft primary suite has been completely reimagined into a true sanctuary, including a spa-inspired luxurious ensuite with marble and brushed gold finishes, oversized rainfall shower with body jets, freestanding tub, elegant lighting, and a serene, modern design. Sit on your full length deck, watching the PGA across 3 fairways and enjoying the views of Layer cake mountain and the abundance of nature. Everything in this home has been custom-designed for elevated livin...
