

Whitehorse Yukon

\$699,900

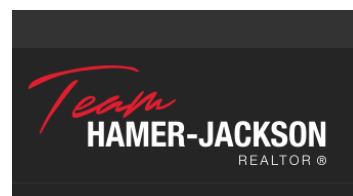

Looking for style, space, and sunshine? This 4-bedroom, 3-bath gem in Takhini delivers all that and more! Bright and open with soaring ceilings and huge west-facing windows, the main floor is built for comfort and flow - cozy up by the propane fireplace or whip up dinner in the sleek kitchen with granite counters, pantry, and stainless steel appliances. Upstairs, the primary suite offers a walk-in closet and private ensuite, while two more bedrooms and laundry add everyday convenience. The lower level features a den/4th bedroom and a double garage. Outside a private back deck perfect for quiet mornings or sunset lounging. (id:6769)
