

Whitehorse Yukon

\$899,900

Two-storey done right. Clean layout, efficient build, and spaces in all the right places! 2,600 sqft, 4 beds and 2.5 baths, well-executed family design. Spacious tiled entry with an oversized coat closet leads into an open-concept living, kitchen, dining area that is polished, inviting, and comfortable. Well appointed kitchen with two-tone cabinetry, quartz tops, smart appliances, and a functional pantry. Upstairs, a bonus living area separates the primary suite from the secondary bedrooms. The primary features a Fairmont-style 5pc ensuite, walk-in closet, and private balcony. Three additional bedrooms, a full bath, and laundry complete the upper level. Outside, a multi-tiered deck and firepit area create a great setup for lounging or entertaining. Strong location, green street on one side and a park on the other. Efficient, quality construction throughout; R42 walls, R80 attic, fibre cement siding, quartz surfaces, vinyl plank flooring, and solid core doors. You're earned this! (id:6769)
