

392 Walterdale Road Kamloops British Columbia

McLure/Vinsula

\$579,000

Located just 25 minutes from Kamloops this private 2.7 acre property offers space, privacy, and a beautifully updated home that has undergone extensive renovations over the past several years, leaving the interior completely redone and ready for a new family to enjoy. Inside you'll find a bright and modern home with many updates throughout including: fully renovated bathrooms, all new drywall, windows, flooring, and paint throughout. Kitchen countertops, appliances, hot water on demand (2023), water system and PVC plumbing upgrades, furnace (2021), fans, light fixtures, metal roof is in excellent condition, AC works great in the summer and wood burning stove is amazing in the winter months. The property is fully fenced and offers plenty of outdoor space, along with multiple outbuildings for storage and hobby use. The front deck has been newly built, creating a great outdoor sitting area, while the exterior siding, gutters, and rear deck present an opportunity for the next owner to finish and add their own touch. New well pump (2021) and pressure tank (2022). New septic tank in 2022 and recently pumped in 2026. A rare opportunity to enjoy a beautifully finished interior on a private acreage with many of the major upgrades already completed. (id:6769)
