

3925 Highland Park Crescent Armstrong British Columbia

Armstrong/ Spall.

\$619,000

Some neighbourhoods just make life easier, and Highland Park has become one of Armstrong's most sought-after places to call home. Maybe it's the easy walk to schools, downtown and everyday amenities—or maybe it's simply the family-friendly feel that keeps people wanting to live here. Inside, this home has been nicely updated with a bright, open-concept main level. The kitchen flows naturally into the spacious living room and dining area, with access to the front upper deck. The primary bedroom and a full bathroom complete this level. The lower level offers a welcoming and spacious entry, a generously sized second bedroom, full bathroom and fantastic laundry room. An additional room is currently utilized as a bedroom and, with the addition of a proper egress window, offers the potential for a legal third bedroom. Outside, there's a single garage and a fully fenced, landscaped backyard with a deck, firepit and even a sloped section that might just become the kids' favourite sledding hill come winter. Come see why Highland Park could be where your next home is situated. (id:6769)
