

## 3935 Milford Road West Kelowna British Columbia

Lakeview Heights

**\$1,200,000**

Your own dock on the Pritchard Canal, with boat access straight out to Okanagan Lake. This raised rancher is set up to take full advantage of the water, with an upper deck overlooking the canal and a walkout lower level that opens right onto the backyard and dock. Inside are 3 bedrooms and 3 bathrooms across roughly 2,239 finished square feet. The main floor offers a bright living room and a country style kitchen with a mountain view. The laundry room on the main level can be converted back to a 4th bedroom. The lower level has its own separate walkout entrance, giving it real potential for an in law suite for extended family or guests. Outside, mature landscaping and a covered carport add to the curb appeal, and the backyard steps straight down to your private dock on the canal, ready for paddleboards, kayaks, or the boat. Built in 1973, this home is ready for a fresh vision. Renovate to your own taste and build equity on a canal lot that rarely comes up. Wineries, beaches, and parks are all close by. Listed below the current assessed value, so there is real room to add value. (id:6769)
