

3940 Highland Park Crescent Armstrong British Columbia

Armstrong/ Spall.

\$849,900

Welcome to the nicest home in Highland Park Subdivision! This 2018 built custom home offers so much space for the entire family, including a legal 1 bed fully self contained suite! Offering luxury interior finishes throughout the entire home, this is truly a turnkey opportunity to own in a terrific neighbourhood. The entire upper floor offers space for a massive bedroom suite, privacy from the rest of the home with an office space and media room adjoining the bedroom, plenty of closet space and extra storage as well as a spacious ensuite. Main level is ready to host the family with 2 extra bedrooms, a full bath, open concept kitchen and living space and a large walk in pantry. The layout is perfect for entertaining or kicking back with the family! Downstairs you will find 2 more spacious bedrooms, and utility room, as well as a fully self contained 1 bedroom basement suite with full kitchen and laundry! This is a terrific mortgage helper or in law suite for the family! This property truly is one-of-a-kind. (id:6769)
