

3983 Lakevale Place Kelowna British Columbia

South East Kelowna

\$1,350,000

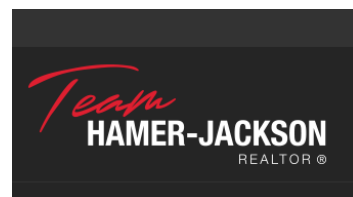

Big on space, flexibility, and future plans, this 6-bedroom, 4-bathroom home offers 3,900 square feet of room to live, work, and grow. Set on a large corner lot in a quiet Southeast Kelowna neighbourhood, the property provides the kind of space families appreciate at every stage of life. The generous layout gives everyone room to spread out, while the lot offers plenty of opportunity for outdoor enjoyment and future plans. A heated shop adds valuable workspace for hobbies, projects, storage, or simply having a place where your tools can live their best life. RV parking is another practical bonus for those who like to travel or need additional vehicle space. Enjoy the peaceful surroundings while remaining just a short drive from town and everyday amenities. If you are looking for a home that can grow with your family, this one deserves a closer look.
