

White City Saskatchewan
\$699,900

SASK MLS®

Welcome to the kind of home where life feels full in all the best ways. Tucked into one of White City's most desirable locations & just a short walk to schools, walking paths & parks, this beautifully finished 1,558 sq. ft. bungalow offers timeless design, functional family living & a backyard that truly steals the show. Situated on an impressive 11,000+ sq. ft. lot, the curb appeal immediately stands out with dark stucco, stone accents, wood imitation garage doors, mature trees & shrubs, & gemstone lighting. An exposed aggregate driveway leads to the triple attached, drywalled, insulated, & heated garage with impressive 14' ceilings. Inside, the main floor features a bright open layout designed for everyday living. The white kitchen is timeless with grey quartz countertops, an eat-up island, & plenty of workspace for busy mornings & weekend hosting alike. The living room feels warm & inviting with a gas fireplace, tile surround, & built-in cabinetry with open shelving. The primary suite feels like a peaceful place to land at the end of the day, complete with dual sinks, a corner soaker tub, & a separate shower. Main floor laundry, & two additional bedrooms complete the main floor, offering flexible space dependent on your lifestyle. Downstairs, the fully finished basement was designed for real life & all the moments that come with it. Whether it's movie nights, kids hanging...
