A setting worth seeing. A layout worth exploring. Tucked into a quiet Granger cul-de-sac, 4 Salter Place offers 2,854 sqft of living space on an 11,300 sqft treed lot backing onto a greenspace corridor. This character-filled home features 3 bedrooms, 3.5 bathrooms and an attached double garage and a substantial south-facing deck. The spacious entry level includes all 3 bedrooms, highlighted by a primary suite with walk-in closet and ensuite. Upstairs is where this home shines! A functional kitchen, tucked-away flex nook and powder room complete the upper level. Downstairs offers a rec room, 2 dens, bathroom, laundry and storage. Built in 1992 and well maintained, the home offers an opportunity for cosmetic modernization. Metal roofing, serviced HRV, 200-amp service and new hot water tank.
