

4004 Terrapin Place Vernon British Columbia

Bella Vista

\$1,095,000

Custom designed to capture both summer and winter sun, this exceptional home offers a rare combination of luxury, comfort, and breathtaking valley and city views. Thoughtfully crafted with unique architectural details throughout including transom windows on the main floor, soaring basement ceilings, and a stunning vaulted living room ceiling that fills the home with natural light and an airy sense of space. Designed for both everyday living and entertaining, the gourmet kitchen is a dream for aspiring chefs featuring premium gas appliances, heated kitchen floors, and seamless access to the expansive partially covered view deck complete with topless glass railings, overhead heater, and direct gas BBQ hookup. Relax year-round in the hot tub while taking in the panoramic views from the terrace level. The spacious main floor flex room offers excellent versatility as an art studio, guest bedroom, or home office. The luxurious primary suite comes complete with heated en-suite bathroom floors, while upper and lower level gas fireplaces add warmth and ambience throughout the home. Lower walk-out level offers soaring ceilings, 2 additional bright bedrooms, full bath and wet bar for convenience whilst entertaining or simply watching a movie. Additional highlights include hot water on demand, water softener and filtration system, drip irrigation, easy-care landscaping, level driveway, ...
