

680 Lequime Road 401 Kelowna British Columbia

Lower Mission

$550,000

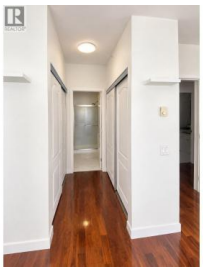

Wake up to sunrise light pouring through east-facing windows, and end your day on a private patio where mountain views, double rainbows and vibrant fall colour steal the show -- all to the gentle sound of the building's water fountain. This top-floor vaulted ceiling condo in sought-after Lower Mission is a rare find: open rooms, and finishes that feel elevated throughout -- quartz countertops, stainless steel appliances, and Benjamin Moore Eco Spec paint for a healthier, sustainability-minded home. The primary bedroom impresses with a newly renovated ensuite and stunning new luxury peelable wallpaper. Need flex space? The guest room's Murphy bed transforms in seconds into a home office, yoga studio or sewing room -- perfect for downsizers or hosting seasonal visitors. Two parking stalls (1 underground), dedicated storage, secure bike parking and an affordable building guest suite round out this exceptional package. All just steps to Bluebird Beach, H2O Rec Centre, MNP Place, Bright Jenny Coffee and Mission Creek Greenway. This isn't just a condo -- it's a lifestyle. (id:6769)
