This Coventry-built gem in Keswick is ready to welcome its next family! With 4 bedrooms, 3.5 baths, and a fully finished basement, there's room to grow, play, and make lasting memories. Just steps from the local K-9 school, your mornings will be a breeze! The inviting open-concept main floor features a bright kitchen with crisp white cabinetry & quartz countertops (in all the bathrooms too!). The durable luxury vinyl plank flooring is pretty and perfect for busy families and pets. Head upstairs to your primary retreat with a spacious ensuite (hello, double sinks!) and walk-in closet. Two additional bedrooms, a cozy bonus room, a full bath and upstairs laundry complete the upper level. The finished basement is ready for movie nights, playdates or guests, with its additional bedroom, full bath, and rec space. The attached garage is 20' deep - ideal for larger vehicles and extra gear. Enjoy summers in your sunny, south backyard and central A/C. Move-in ready and waiting for you--why wait for new construction? (id:6769)
