Welcome to Athens Creek Towers! This bright corner unit offers both North and East exposures. To the North, enjoy an unobstructed view up the Okanagan Valley toward Kelowna, providing a sense of depth and an open skyline. Facing East, you'll take in scenic mountain views and the warmth of the morning sun. As the day progresses, the midday sun wraps around to the back of the building, returning in the evening to light up your deck with the colours of the sunset. Perched on the fourth floor, the unit not only offers these outstanding views but also a grounded feel, with lush treetops right at your feet. The layout of the adjacent building is set back and staggered, adding a welcomed sense of privacy—not directly in line with your windows or deck. Another bonus: this home is located at the quieter end of the building, away from the elevator and main foot traffic. For added convenience, the underground parking stall is ideally located right beside the parkade entrance and elevator. Adjacent to the stall is a large communal storage room, perfect for bikes, kayaks, and scooters. The unit also includes a personal storage locker, located on the parkade level right next to the elevator, making access simple and convenient. (id:6769)
