

402 Princess Street Enderby British Columbia

Enderby / Grindrod

\$2,800,000

Your next Okanagan development starts here. Approximately 35 acres of residential land entirely within the City of Enderby, already zoned R1 and R3 for single-family and multi-family homes. Municipal water and sewer are at the lot line and the property sits on paved Princess Street. It is outside Agricultural Land Reserve, so it's ready for planning, not paperwork. Land of this size, zoning and servicing inside city limits rarely comes to market. Future residents will enjoy sweeping views of the Enderby Cliffs, the river and surrounding valleys, with Salmon Arm 25 minutes away, Vernon 30 and Kelowna 50 (id:6769)
