Welcome to Mission Hill, where central convenience meets elevated living. This beautifully updated 2 bedroom, 2 bath apartment offers sweeping views and an open concept layout designed for both everyday comfort and easy entertaining. Thoughtfully upgraded throughout, you will love the updated flooring, modern lighting, fresh paint, under cabinet lighting, granite countertops, new sink, and updated appliances, along with many additional touches that truly set this home apart. The spacious primary bedroom features a walk through closet leading to a luxurious 5 piece ensuite, plus direct access to its own private sundeck, the perfect spot for your morning coffee. The second bedroom also includes a walk through closet, convenient access to the 5 piece main bath, and access to the main sundeck, offering excellent flow and flexibility for guests, family, or a home office. Step outside to take in spectacular views from the living room sundeck, complete with a gas BBQ hookup for effortless outdoor dining. Additional highlights include in unit laundry, a storage locker, secure underground parking with one dedicated stall, and pets permitted with restrictions. An exceptional opportunity to own a move in ready home in a sought after complex. Don't miss it. (id:6769)
