If you love walkable living but still value peace and quiet, this rear corner 1 bedroom plus den at The Station is perfectly positioned facing the quieter side of the building with open views of Mount Paul. Set above a local brewery and surrounded by great shops and restaurants, the location gives you energy when you want it and calm when you don't. Inside, the open layout is finished with quartz countertops, a brick backsplash, and good size island. East-facing windows bring in beautiful morning light, and the covered deck is the perfect spot to take in the mountain view with your morning coffee. You'll also enjoy in-unit laundry, a full 4-piece bath, and secure underground parking. The den adds flexibility for a home office. (id:6769)
