North Glenmore

\$574,900

Bright, spacious & beautifully positioned on the top floor, this 2 bedroom + den, 2 bathroom home offers 1,372 sq. ft. of comfortable living in an exceptionally walkable North Glenmore location. The open main living area feels immediately inviting with rich hardwood flooring, oversized windows, solar tubes for additional natural light & a generous layout with plenty of room to entertain. The kitchen offers abundant wood cabinetry, extensive counter space & peninsula seating, opening naturally to the dining and living areas. A gas fireplace anchors the living room, while the tray ceiling adds architectural interest & sliding doors extend the living space onto a large covered deck with beautiful mountain views. The thoughtful floor plan provides excellent separation between the bedrooms, plus a dedicated den/office ideal for working from home or additional flex space. The spacious primary includes 2 generous closets & a private ensuite, while a second full bathroom, in-suite laundry & excellent storage add everyday convenience. A new wall-unit A/C installed in 2025, storage locker & parking stall complete the home. Pets are welcome. Residents of Brandt's Crossing also enjoy an impressive collection of amenities including a fitness centre, games & gathering spaces, guest suite, woodworking shop & bike storage--adding even more ease to everyday living.
