Big White

\$925,000

This 3-bedroom, 2-bathroom residence in Copper Kettle Lodge delivers a level of quality and on-mountain access that is rarely available at Big White Ski Resort. As the mountain's only concrete-framed building, it offers exceptional quiet, durability, and open sightlines to captivating views of the Monashee mountain range. Outside, the building is finished with Montana flagstone and a rich cedar board and batten giving it that 'Ski Chalet' feel. Step out from the ski locker room directly onto the Shortcut ski run and you're instantly connected to the slopes. Whether you're heading to the Black Forest chair or cruising to the Gondola on a gentle green run, the mountain is effortlessly at your doorstep. Inside, the design is timeless, and the atmosphere is warm and inviting. Hand-scribed oak hardwood floors, a vaulted cedar ceiling, and a natural rock fireplace finished with a burnt copper hood anchors the room. Beneath your feet is an in-floor hydronic heating system provides consistent, efficient warmth.. The kitchen features granite counters, hickory cabinetry, and a walk-in pantry, while both bathrooms have been updated with quartz surfaces and vessel basins. The main living space flows seamlessly to a large balcony with a private hot tub. A custom après-ski wine bar, steam shower, heat recovery ventilation system, two ski lockers, and heated underground parking complet...
