

4120 16 Highway Terrace British Columbia
\$509,900

A welcoming atmosphere that can be transformed for various business ventures or professional offices. The residence currently has five generous bedrooms and two bathrooms, providing ample space for staff or client needs. Durable 30-year roof shingles ensure reliability for years to come. on the Main floor a cozy wood stove creates an inviting environment for potential clients or employees. Also included: a detached wire shop, offering significant space for warehousing or operations. The fenced yard enhances security and privacy, making it ideal for outdoor activities or expansion. Additionally, a greenhouse and garden provide prospects for landscaping businesses or urban agriculture initiatives. A covered patio offers a comfortable area for relaxation or gatherings, and the 2 wood sheds are perfect for storage needs. This lot presents significant potential for an entrepreneur in a desirable location just off Highway 16 in Thornhill, making it a rare find in today's commercial market. Also on Res R2967824.
