Lower Mission

\$560,000

Welcome to #414 at Playa del Sol, one of the rare lakeview units in this sought-after Lower Mission resort-style complex. Inside, you'll find a spacious, open-concept layout. The kitchen is well-equipped & features bar style seating. The primary bedroom, with access to the deck and lake views, includes a walkthrough closet to the ensuite. The second bedroom has its own walkthrough closet, and access to the second bathroom with walk-in shower. Plus the den is large enough to comfortably function as a third bedroom. One of the best features? The covered deck with lake views! Strata fees include electricity, heating, cooling, and gas. Playa del Sol offers an outdoor pool and hot tub, a fitness centre, and a spacious owners' lounge with billiards and card tables. Just across the ...
