

**414 ENDAKO Place Fraser Lake British Columbia**

**\$279,000**

Step into this bright and uniquely designed 5-bedroom, 3-bath home offering space, character, and flexibility for modern living. Vaulted ceilings and a charming loft create an open, airy feel, while large windows fill the home with natural light. The spacious primary bedroom features a private ensuite, providing a comfortable retreat. Enjoy the ease of main floor laundry and step outside to a large partially covered deck, perfect for entertaining or relaxing in any season. A separate basement entry offers excellent suite potential--ideal for extended family or added income. The large backyard with back gate access adds convenience and space. This home blends style, function, and opportunity. (id:6769)
