

414 Okaview Road Kelowna British Columbia

Upper Mission

\$2,575,000

Enjoy breathtaking lake views and unparalleled craftsmanship. Located in the sought-after Upper Mission, this Worman-built masterpiece offers an exquisite blend of luxury, comfort, and stunning lake views from nearly every level. With 6 beds and 6 baths, this exceptional home is a testament to fine craftsmanship and thoughtful design. The main level impresses with soaring vaulted ceilings, rich woodwork, and an open-concept layout that perfectly frames the panoramic views. The timeless kitchen is a chef's dream, featuring Sub-Zero and Wolf appliances, a pot filler, instant hot water, and a butler's pantry with a separate sink and wine fridges. Step outside to a covered deck with powered screens and a hot tub, ideal for year-round enjoyment. Retreat to the bright primary suite, where floor-to-ceiling windows showcase the lake, and a cozy fireplace creates a warm ambiance. The spa-inspired ensuite is pure luxury with in-floor heating, a steam shower, and a jetted tub. The lower level is an entertainer's paradise, boasting polished concrete radiant heated floors, a spacious media/family room, 4 beds, and 3 baths—all designed to capture the lake's beauty. Additional features include a wine room, a beautifully terraced garden, a triple garage with heat pump A/C, powered RV parking, and a separate living space above the garage—perfect for a nanny suite, studio, or office.
