

351 Warren Avenue 42 Penticton British Columbia

Main South

\$565,000

Bright and spacious well appointed two bedroom, two full bathroom unit located in one of Penticton's most desirable developments, The Bow. This one level rancher offers an airy open concept living space with tons of windows and features custom blinds that can go all the way up, all the way down or partial up or down for privacy and letting the light in. The kitchen includes a large island with room for seating, great counter space, and tons of storage. The large living room offers the coziness of the electric fireplace and has access to the beautiful outdoor space. Outside you can enjoy the covered deck as well as the low maintenance, easy care yard that looks great, even while you are away travelling. The attached single garage means no more parking in the elements! The huge primary bedroom has a walk in closet, and a private ensuite with two sinks and a step in shower. The second bedroom is at the opposite end of this home, next to the main bathroom. Living at The Bow offers access to the clubhouse that can be booked for private engagements, an active social committee, a great walking path, centrally located to shopping and onsite property management. This development welcomes all agents and allows pets with approval. Check out the virtual tour online and book your private tour today! (id:6769)
