The Artemis blends elegant design with lasting durability--perfect for modern family living. It offers an extended dbl att. garage, 9' ceilings on the main & basement levels, separate entry & LVP flooring throughout the main, all lit by sleek SLD recessed lighting. The foyer opens to a cozy sitting room, a main floor bedroom & 3pc bath w/standing shower. The mudroom, with open closet, connects to the kitchen via a walkthrough pantry. The open-concept kitchen, nook & great room flow together seamlessly. The kitchen has quartz counters, island with flush eating ledge, pendant lighting, Silgranite undermount sink, Moen matte black faucet, tile backsplash, chimney H/F, built-in microwave & soft-close Thermofoil cabinets. The great room has a 17' ceiling, electric F/P & large windows. The upper level offers a bright primary with a 5pc ensuite & walk-in closet. 2 additional bedrooms, 4pc bathroom, bonus room & laundry complete this level. Basement R/I included. This home features the new & improved Sterling Spec (id:6769)
