

420 Gleneagles Drive Kamloops British Columbia

Aberdeen

\$1,199,000

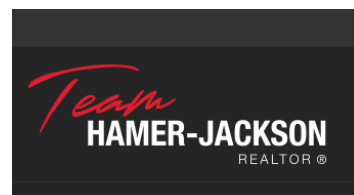

Breathtaking views! Meticulously maintained and located in a quiet neighbourhood. This spacious rancher with a full walkout basement offers an excellent layout for two-generation living, complete with a beautiful in-law suite ready to enjoy. The bright open-concept main floor features an oak kitchen with quartz countertops, gas line ready for a gas stove, and comfortable living space positioned to take advantage of the incredible views. Enjoy new sun decks off both the main floor and basement, an electric shutter off the living room, and a newly landscaped, low-maintenance xeriscape front yard. A huge crawlspace under the basement provides exceptional seasonal storage. Recent updates include furnace, new stove, and new washer/dryer. Additional features include 200 amp electrical service & ready for hot tub! The large flat driveway offers plenty of room for RV parking along with a double garage. A beautifully cared-for home combining incredible views, flexible living space, storage, and room for the whole family! (id:6769)
