

420 Mt Fosthall Place Vernon British Columbia

Middleton Mountain Vernon

\$879,900

SPACE FOR EVERY CHAPTER. Set on a generous pie-shaped lot with excellent potential for outdoor living in a quiet Middleton Mountain cul-de-sac, this 5-bedroom, 3-bathroom home offers room to gather, unwind and grow. The main level features comfortable living and dining spaces, a kitchen with an eating area and access to a deck with city and mountain views. Downstairs, a family room, den and additional bedrooms offer flexible space for extended family or potential basement suite development, subject to required approvals and buyer verification. Enjoy a fully fenced, landscaped yard with fruit trees and garden space. A heated and wired 20' x 30' workshop offers exceptional space for projects and storage, complemented by a double attached garage and RV parking. Central air and a gas fireplace add everyday comfort. Close to shopping, recreation, golf and routes to Kalamalka Beach, this property brings together space, convenience and a lifestyle with room for it all. Seller reports roof replacement approximately 3 years ago and heating replacement approximately 4 years ago. (id:6769)
