City of Vernon

\$574,800

Discover comfort, potential, and updates in this inviting home with a detached shop located in a central Vernon neighbourhood. Featuring newer flooring throughout most of the main level, updated selected vinyl windows, a new heat pump and recent 200 electrical upgrade. This home also includes a full basement already framed and wired and ready to be finished, offering excellent potential for added living space or a suite. The groundwork has been laid for comfortable living with room to grow. With approximately 1,800 sq ft when fully finished, the basement has been framed for a 2 bedroom, 1 bathroom layout with a living room and includes a separate entrance perfect for a future suite, home office, or multigenerational setup. The main floor is bright and welcoming, offering spaces that are easy to personalize to suit your needs. This flexible layout is ideal for families, first-time buyers, or those seeking investment potential. Outside, enjoy the alley access single garage, plus ample parking for an RV, boat, or extra vehicles. The yard between the house and garage offers space for a garden or outdoor entertaining area, giving plenty of options for outdoor enjoyment. Set in a family friendly and convenient neighbourhood, this home is within walking distance to schools, parks, public transit, and the path connecting Village Green Mall to Kalamalka Lake Beach. A rare opportunity...
