Kettle Valley

\$1,400,000

The Village of Kettle Valley offers an unparalleled lifestyle with its breathtaking lake views, scenic parks, & extensive trail network. Step into this two-storey family home, complete with a legal suite. The main floor boasts an open-concept design with 9' ceilings. The custom kitchen, with undermount lighting, is a chef's dream, featuring a large island, a butler's pantry that has undermount lighting & custom built-in shelving, extra counter space & room for additional appliances, quartz countertops, & a gas range. High-end finishes include hardwood flooring on the main level, stylish accents, & a premium appliance package. From the dining area, access the private back deck & enjoy the low-maintenance outdoor space equipped with a natural gas BBQ hookup & roughed-in hot tub connection. The layout includes a vaulted bonus room with lake views upstairs and three bedrooms. The master has a luxurious ensuite with heated floors, a double vanity, soaker tub, shower & custom-built shelving in the walk-in closet. Laundry is conveniently located upstairs near the bedrooms, while the suite has its own separate laundry. Cleaning is easy with the built-in vac system & the home has been roughed in for a heat pump. Situated in one of Kettle Valley's newest subdivisions, this home is minutes from park access at the end of the quiet no-through street, coffee shops, daycare, medical office...
