

424 Penticton Avenue Penticton British Columbia

Main North

\$599,000

Character home for under \$600k on a quiet street and close to everything in Penticton! Whether it is the hospital, schools, recreation or shopping, its all close by. This is a charming house on a spacious lot with enough room for a lovely, private garden. Inside, you'll find no shortage of character with a cozy living room with a gas fireplace, arched doorways, hardwood flooring and even an original art deco tub. There is a detached shop with power that is currently used as storage but could be converted back to a garage. Downstairs hosts two bedrooms, a rec room, laundry and a half bath. There is a newer central gas furnace and central air conditioning unit. Priced to sell, call today for a private showing. (id:6769)
