Welcome to Sunny Trail Acres, a serene family retreat on 5.8 acres of lush land, blending comfort with outdoor living. This property includes a spacious main home and two charming, fully permitted cottages, ideal for families or those seeking a tranquil escape. Inside the main home, the kitchen features European oak cabinets with stainless steel handles, quartz countertops, and a new sink and taps installed in 2017. The main floor bathroom was updated in 2015, while the top-floor bathrooms, renovated around 2010, boast walk-in showers by Arden Tile. The living room has a gas fireplace, and the kitchen's laminate floor, installed in 2005, includes in-floor heating for added comfort. The basement suite was modernized with a vinyl composite floor in 2020. The Pine Chalet, built in 1992, offers a double garage, 2 bedrooms, 1 bath, a newer self-cleaning stove, and recently replaced carpets. The Cottage, built in 2000, features 2 bedrooms, 1 bath, and a new heat pump added in 2023. The property also includes a triple carport and three fenced pasture areas, perfect for equestrian enthusiasts or hobby farmers. A highlight is the in-ground pool, installed in 1985, with a liner replaced multiple times. Additionally, a 10 x 12 Arch rafter shed provides ample storage for outdoor equipment. Sunny Trail Acres is more than just a home; it's a lifestyle. Don't miss this unique opportunity t...
