

4275 Todd Road Kelowna British Columbia

South East Kelowna

\$3,388,000

Surrounded by breathtaking vineyard, orchard, lake and mountain view, this extraordinary custom-built South East Kelowna estate is designed to impress even the most discerning buyer. A striking 10' x 6' solid oak pivot door opens to a grand foyer, where a hemlock barrel-vaulted ceiling flows into the open-concept living space. Textured clay walls, heated concrete floors, and expansive walls of glass create a sophisticated, contemporary aesthetic. The chef's kitchen features barn wood cabinetry, Dekton countertops & Wolf/Sub-Zero appliances. A spacious laundry room with ample storage leads to an oversized garage that can accommodate up to 4-5 vehicles, complete with its own mini-split system, 2-pc bath, LED overhead lighting, and motorized windows- a feature also found in the primary suite. The primary suite showcases panoramic northwest-facing views through floor-to-ceiling windows and includes a spa-inspired ensuite. The walkout lower level is designed for entertaining, with 24-ft glass doors opening to the outdoors and a fully equipped wet bar. Two bedrooms and an office complete the lower level, including a spacious second primary suite. State-of-the-art technology is seamlessly integrated throughout the home, from discreet ceiling ventilation & Lutron automated blinds, to heated towel warmers. A heated driveway, additional detached garage, plus a second outbuilding w...
