Lake Country East / Oyama

\$284,900

This wonderful, updated, 2-bedroom + den home with an additional, huge bonus room currently used as a primary bedroom is located in the family section of Meadowbrook MHP at the quiet north end of Kelowna. With proximity to both Lake Country and Kelowna, and only a block away from Highway 97, you can easily commute to work and school, and get to all your family's activities... think Rutland YMCA or Beasley Beach. The home was substantially updated within the last 10-15 years with vinyl plank flooring throughout the main living areas (2023), previous poly-b replaced with PEX (2019), a new metal roof (2018), A/C added (2017), new furnace (2016), new kitchen cabinets and countertops (2010), and original interior panels replaced with drywall (2009). Outside, you get a fully fenced yard with a flat lawn, a gazebo for entertaining friends and hosting family BBQs, and all the parking you could need. It's space to actually live that new homes just don't get. This home also comes with under ground sprinklers and plenty of storage in the back yard shed. It's ready for you to move in and make yours!
