What a lovely setting for Sunset Villas! It is like a truly idyllic retreat from the hustle and bustle of town life. The contemporary design & modern features of the 1679 square foot rancher will surely appeal to those seeking a peaceful & relaxing lifestyle. The lake & mountain views will be a beautiful backdrop for daily life, and the fully landscaped & fenced backyard with a covered patio area is perfect for entertaining or simply enjoying the serene surroundings. With access to Okanagan Lake for boating, kayaking, or just taking a refreshing dip on a warm summer day, residents will have endless opportunities to enjoy the great outdoors. I particularly appreciate the fact that the developer is offering a 45-year registered & prepaid lease, which provides a sense of security & stability for homeowners. The monthly community fees of \$550.00 are also reasonable, considering the water access and the 1/4 acre sized lots that come with living in Sunset Villas. Finally, the fact that there will be no property transfer tax on this purchase is a significant bonus, making it an even more attractive option for those looking to invest in a peaceful retreat. A wonderful development that offers the perfect blend of tranquility, comfort, & community. Just 5 minutes away from the golf course, about & less than 15 minutes to town. Construction is set to begin summer of 2024. Still plenty ...
