Step into luxury in this brand new, never occupied 2,150 sq ft 2-storey offers a walkout basement, separate entrance, and oversized 3-car garage. Soaring ceilings and an open-concept layout showcase a bright white kitchen with a showpiece island, walk-in pantry, and a dining area surrounded by windows with balcony access. The living room features a dramatic floor-to-ceiling tiled fireplace, while a main floor bedroom and 2-piece bath add convenience. Upstairs, the primary suite shines with a textured accent wall, spa-inspired ensuite with double sinks, soaker tub, stand-up shower, and a walk-through to a spacious walk-in closet. Two more bedrooms, a 3-piece bath, upstairs laundry, and an open family room complete the level. The walkout basement offers potential for a suite, and the oversized 3-car garage easily fits RVs, trucks, or a lift. Close to Gibbons Country Club, Oliver Park, and Gibbons Town Centre, this home is the perfect mix of elegance, function, and lifestyle. Some photos are virtually staged (id:6769)
