

665 Cook Road 431 Kelowna British Columbia

Lower Mission

\$915,000

You know the timeless adage—location is everything. This well-appointed two-bed, three-bath residence w/an additional den is ideally situated in one of Lower Mission's most sought-after neighbourhoods, offering an exceptional blend of lifestyle, convenience, and community. Set w/i the desirable Somerville Corner enclave, this home enjoys a thoughtfully positioned lot that will appeal to families & pet owners alike. Just steps from your door, a generous green space provides the perfect setting for children to play & pets to roam. Daily conveniences are equally accessible, w/shopping, services, & amenities all w/i comfortable walking distance. The nearby shoreline—home to Rotary Beach Park & Gyro Beach Park—offers some of Kelowna's most popular waterfront destinations. The Lower Mission area is also known for its selection of boutique shops, local dining, & strong sense of community, making it particularly appealing for both families and professionals seeking a balanced, active lifestyle. Inside, the home offers a functional & inviting layout w/ample open living space & an excellent opportunity to personalize to your own taste. The primary suite is generously sized, featuring a five-piece ensuite & a walk-in closet. The kitchen is well-designed w/abundant counter space & storage, catering to both everyday living and entertaining. This is a rare opportunity to secure a home ...
