

4323 Finch Road Lake Country British Columbia

Lake Country South West

\$2,335,000

This stunning custom-built home offers luxurious living on a sprawling 2.45-acre lot nestled in the heart of Lake Country. With breathtaking panoramic views enveloping the property, the modern design of this 4-bedroom, 4-bathroom residence seamlessly blends elegance with functionality. Expansive windows flood the interior with natural light while framing the mature greenery that envelops the entire estate. Inside, the open-concept layout effortlessly connects the living room, adorned with a dual-sided fireplace, to the bright dining area and upscale kitchen. A spacious outdoor deck wraps around the home, providing ample space for outdoor entertaining and relaxation against the backdrop of scenic views. The king sized primary bedroom offers serene lake views from bed and features a spa-like ensuite with in-floor heating, a freestanding soaker tub & a large glass shower. The lower level features radiant floor heating throughout the generous family room, complete with a wet bar & three additional bedrooms. Outside, the low-maintenance, fully irrigated yard features multiple seating areas and a private hot tub, with potential for a pool addition. Ample storage options include an oversized triple garage capable of accommodating vehicles, recreational equipment or any other storage needs. This property epitomizes luxury living amidst natural splendor, offering a serene retreat wit...
