\$689,800

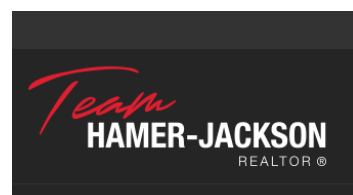

Click the VIDEO and take a TOUR today! Gorgeous 2,410 sqft duplex tucked away on a quiet cul-de-sac, with a heated (single) garage, double concrete driveway and a beautifully landscaped/fenced 5,345 sqft lot. Desired layout with hardwood floors and oak cabinetry throughout, 3 huge bedrooms, a den (c/b 4th bed), 2 living rooms and 2.5 baths. The main level has a large entry way, 2 pc bath, den, living room, dining area, a laundry room with an abundance of oak cabinetry and a sizeable kitchen with loads of oak cabinetry, oversized island and pantry. Direct access off the dining area to the 23x12 Westerly-facing deck and beautifully landscaped/fenced yard with mountain views. The top floor hosts a large family room, 4 pc bath, 3 generously sized bedrooms with the master having an ensuite and walk-in closet. Lots of storage including a heated crawl space. 'Super Green' status build with quad-pane windows, R40 walls and R80 attic. Offer deadline is June 2nd @ 4pm. Possession Oct 14/25. (id:6769)
