

Fort Saskatchewan Alberta

South Fort

\$819,800

10' RV bay and a triple garage measuring 24.6/28.8. This brand new two-story home spans 2,647 square feet and includes a main floor den that can serve as a bedroom or nanny suite, complete with its own three-piece bath and closet. The main floor boasts a butler pantry, a 7-foot island, and a living room with a soaring 17-foot ceiling. You'll also find a spacious mudroom. The upper level features a bonus room, four bedrooms, and a separate laundry room. The expansive master bedroom includes a five-piece ensuite that leads to an oversized closet. There's a side entry for a potential future basement suite. All of this is situated in one of Fort Saskatchewan's prime locations, backing onto a park and paved trail system. WALK OUT BASEMENT!
