

4405 Crystal Drive Vernon British Columbia

East Hill

\$799,500

Now has an Accepted Offer, usual subjects, subject removal December 9. Terrific family home in one of the most desirable sections of the entire East Hill. Basement entry design with 3 bedrooms, 2 baths and main floor family level on the upper level. 4th bedroom, 3rd bath and recreation room on the lower or entrance level with lots of unused areas great options for adding either a family or a revenue suite. Attached double garage plus a oversize detached shed /small detached workshop in the rear yard. Front and rear decks one with an east exposure and one with a west exposure so always a great spot to be. Watch your children in the quite private rear yard from the kitchen and eating area and sliding glass doors onto the deck. Nice views in almost every direction and even a slight peak at the lake. Well maintained home and first time on the market in 28 years. This is a perfect home for an expanding family or for you and your family to to add a suite. 18.5 x 20.5 double garage with man door to both exterior and interior of home and extra storage room. Long driveway plus extra parking could be created on the north side of the home. Newer roof in 2009. New rear deck in 2019 with new vinyl (duradeck) surface and railings. Clean and well kept and in move in condition, or perhaps update or renovate as you desire. Vacant and available to view at your convenience. Quick possessio...
